Student Association Minutes

The regular meeting of the S. A. was called to order on March 11, 1969, at 6:30 p.m. All members were present except Bruce, Sheri, and Lynn. Bob Thompson visited the meeting. Dr. Gilliam opened the meeting with a prayer.

Old business, announcements

Treasurer's report- Ronnie announced that, after the books were balanced, we had \$148.83, plus \$1822 from second semester registration.

Typewriter- Ron talked to Mr. Tucker and asked him what kind of electric typewriter he would recommend. Mr. Tucker suggested the IBM machine, and, since this was the suggestion of several reliable people, Ron ordered an IBM electric typewriter.

Dr. Gilliam's announcement- Dr. Gilliam invited the Council to his house for next week's meeting for dessert.

Prices on books in bookstore- Mr. Tucker checked on book prices at the S. A.'s recommendation. He is satisfied that the bookstore is charging manufacturers' suggested retail prices.

Student Center bell-Mr. Tucker said we could use our own ingenuity to quieten it. Ron will see that it is quietened.

Awning between Student Center and Administration building- Mr. Tucker thinks the suggestion is a good one, and he will check into prices and the type of awning necessary for the job.

Meal tickets in Cobb- Ron talked to Mr. Tucker about the possibility of using ID's instead of meal tickets for Patti Cobb. Mr. Tucker said he could foresee many problems---e. g., different kinds of ID's would have to be issued; temporary cards would have to be issued before the ID's were completed; and there would be a problem with two cafeterias. Chris will write David Lipscomb to see how they take care of their problems.

Draperies in Emerald Room- Mrs. Elliott will work on the draperies and get them into good shape. Among other things, she will shorten them.

Rotating suggestion box- Rod will check on getting them for the dorms this week.

Outings recommendation- The Student Affairs Committee had not met on it yet. Ron will try to talk to Dr. Sears about and prompt a meeting of the committee.

Conference Wed., OCC's problems-Most of the comments from the Council members were good about the Leadership Conference. However, there were some suggestions for next year---e.g., don't have the conference during a meeting at church or on a Wed. night during the spring because of campaign meetings.

There were many suggestions for sending special invitations to certain faculty members for the follow-up meeting to be held March 12. About 21 invitations will be sent, and Rod Brewer is in charge of it. After much discussion, a format for the follow-up meeting was decided, as follows:

Summary of Leadership Conference-Ron

Explanation of brainstorming-Dr. Gilliam

Brainstorming

Appoint committee to review suggestions and do what is necessary with them

Youth Forum- Everything seems to be in order for the Forum. John Cogan is in charge of registration, and Peggy Tarpley will handle the mixer.

New Business

Change in radio programming- Bob Thompson was present to discuss the possibility of discussions, editorials, and forums on KHCA. He had talked to the station manager and had been told that the faculty advisors are opposed to these things. After much discussion concerning the pros and cons of this action, it was decided that Chris will find out the radio policy about such matters.

Eddy Jan's hospitalization- The nurse talked to Ron about Eddy and suggested that the Council visit him and encourage other students to visit him.

Polls and studies- Phil Roberson asked about the possibility of polls and studies being made on campus. Judy Worth had mentioned an academic study being taken, and Ron will talk to her further about it. Mr. Cox and Stan Weeks have also expressed interests in conducting such studies. Ron will check into this and find out what they have in mind.

Armstrong- Phil reported that there is still a severe maintenance problem in Armstrong. Ron will tell Jim Deal about it and let the dorm council handle it.

The meeting was adjourned at 8:40 p.m.

Respectfully submitted,

Gloria Page
